

# All-Terrain Vehicle (ATV) Program

## Participation and Hold-Harmless Agreement

The Voyageurs Area Council will be conducting an ATV program at the 2019 Spring Camporall in Chisolm, MN. Scouts will need to be instructed how to ride on and drive an ATV, including Minnesota, Wisconsin, or Michigan DNR approved safety training. Scouts will be taught ATV safety and will drive on approved trails. Scouts will be on the unit individually and in control of the power and brakes. Scouts will be required to wear a helmet, goggles or glasses, over-the-ankle boots, long-sleeve shirts, and long pants. Scouts are expected to abide by all safety rules and the instructions of the camp instructor(s).

I, the undersigned, give my child, \_\_\_\_\_, from Unit \_\_\_\_\_ (troop, crew, post) permission to participate in this program. I understand that participation in the activity involves a certain degree of risk. I have carefully considered the risk involved and have given consent for my child to participate in the activity. I understand that participation in the activity is entirely voluntary and requires participants to abide by the rules and standards of conduct. I release the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from any and all claims or liability arising out of this participation.
