NYLT Participant Equipment List

NOTES:

All Participants will be in official field (class A) uniform, (the first three items on the list), with all insignia in proper place before moving to campsite. Do not bring a neckerchief or slide.

* Prescribed medication must be in original pharmacy labeled container; in a plastic zip lock bag with an Index Card containing name and instructions; and turned in at check-in. Once checked-in, participants may keep EpiPen's and Inhalers with them.

** Wet shoes from morning dew or rain create the most common health problem on course. Make sure your **Boots** are up to the task. The 5 pair of socks should help keep your feet dry too.

*** Backpacks will be used for getting gear from check-in to campsite. Due to the layout of the camp, participants cannot use suitcases, footlockers, or trunks to/in the campsite. Normal prescribed patrol equipment will be issued for cooking.

PROHIBITED ITEMS:

Electronics of any kind - media players, video games, cell phones, etc.

Alcohol, tobacco, unregistered drugs in any form.

Food, candies, snacks, etc. (The camp's critters love to raid tents with food; whether you're there sleeping or not)

Participants may not sleep in hammocks overnight.

NYLT Issued Items:

Hat and two Blue NYLT t-shirts.

Recommendations:

- a. If you don't already have some of the required equipment, **consider borrowing it from a fellow scout in your troop for the week.**
