

WOOD BADGE

Scouting's Highest Level of Adult Leadership Training

VOYAGEURS AREA COUNCIL
JANUARY 24-26 & FEBRUARY 22-23, 2020

(FROM 7:00A FRIDAY TO 5:00P SUNDAY, AND FROM 7:00A SATURDAY TO 4:00P SUNDAY)

CAMP CHICAGAMI

Lord Robert Baden Powell, the founder of Scouting, knew that to teach young people to become good citizens and leaders, *the adults teaching them needed training as well*. In Gilwell Park outside of London, on land donated by a friend of the Scouting movement, the first **WOOD BADGE Adult Leader Training** program was held in 1919. These lessons and traditions coupled with contemporary methods of group leadership recognized in leading business and government organizations, are delivered in this unique adult leader training program.

WHO: ALL registered adult leaders in Scouting programs, Sea Scouting and Venturing programs are welcome and strongly encouraged to participate. **Have your Unit set a budget to pay half of a leader's expense to attend.**

*** Scholarships are also available for those in need (up to \$100). ***
Contact the Course Director for more information.

WHAT: **WOOD BADGE** is the *premier* adult leader training program in Scouting. The program highlights personal and unit level leadership development with courses in team building, problem solving, communication, conflict resolution and many other useful skills. These skills can be taken directly back to Packs, Troops, Ships, Crews and Teams to help leaders guide youth in dynamic and life changing Scouting programs. **WOOD BADGE** is a fun challenging and inspirational Scouting experience for ALL leaders who wish to improve their leadership skills.

WHERE: The course is held at Camp Chicagami, a beautifully wooded facility one hour north of Duluth, and at the doorstep of the Range communities. Inside dormitory facilities with a separate dining hall and teaching lodge house, participants of all camping and outdoor abilities are welcome. Opportunities for sleeping under the stars are an option also.
